With reference to the reconstitution of Sales Tax Advisory Committee, we beg to bring to your kind notice that our Association had the Representation for a long time on the advisory Committee We feel unhappy, it is deleted this time. Davangere is a very big Commercial and Industrial centre with very heavy turnover. It is an oppartunity for us to putforth our difficulties and put in our suggessions to your honour.

So we request you to give us representation to serve on the Sales Tax Advisory Committee positively.

Please do the needful in the matter.

Thanking you,

Copy of letter No.MSCA.1-1585/72 dt.10th Oct.72 from the President, Mysore State Contractors' Association, Bangalore, to the Chief Secretary to the Govt. of Mysore, Bangalore.

The Mysore State Contractors' Association being an organization covering the activities of contractors throughout the State and having a membership of over 2,500 is the sole representative of the profession in the State. It is seen that in spite of several representations made by the Association no representation is provided in the Bangalore Water Supply and Severage Board, the Mysore State Electricity Board, the Mysore Power Corporation, the Mysore Sales Tax Advisory Board, the Mysore Housing Board and the Bangalore City Improvement Trust Board.

In all the works executed by the above Boards, our contractors are the major partners employing a large number of men and investing huge amounts. It therefore stands to reason that adequate representation should be given to our Association ~~xx~~ in all these Boards. The matter was discussed at great length at the meeting of the Executive Committee of the above Association on 9.10.1972 and it was received at that meeting to make another representation to the authorities concerned to provide representation for our Association on the autonomous bodies mentioned above.

May I earnestly request you ~~xxx~~ Sir, in consideration of the very salient points raised above to be pleased to provide adequate representation to our Association in the several autonomous bodies detailed above.

Dear Sri.Mani Narayanaswamy,

Sub:- Reconstitution of State Sales Tax Advisory Committee - Regarding.

Ref:- Government Order No.FD 277 CSL 72 dated 19-8-1972.

While reconstituting the State Sales Tax Advisory Committee in the Government Order cited above, the Government have nominated the Commissioner of Commercial Taxes, Bangalore, merely as Secretary. Since the Committee discusses matters relating to Central Sales Tax Act 1956 and Mysore Sales Tax Act 1957 administered through the Commercial Taxes Department (of which the Commissioner is the head), it would be more appropriate to nominate the Commissioner as Member-Secretary. It would, I feel, enable the Commissioner to participate in the deliberations of the Committee both as a full-fledged member and as a Secretary.

I, therefore, request you to move the Government in the matter and take suitable further action.

Yours Sincerely,

Sri.Mani Narayanaswamy,

Honoured Sir,

SUBJECT :- STATE SALES TAX ADVISORY COMMITTEE : Re - Constitution of :- G. O. NO. FD. 277 CSL 72, Bangalore, dated 19th August 1972.

We believe that the above COMMITTEE has been reconstituted and we find that no REPRESENTATION has been given to the Bangalore Commercial Association. The only Representation to the Trade Organisation from Bangalore is given to the CHAMBER OF COMMERCE & INDUSTRIES, Bangalore. Perhaps the Govt. have taken it for granted that when the Representation is given to the MYSORE CHAMBER OF COMMERCE & INDUSTRIES, the interest of the Mercantile Community in Bangalore are safeguarded. But may be humbly - inform you that the Mysore Chamber of Commerce and Industries, represents mostly all the WHOLESALE DEALERS and the INDUSTRIALIST and not the RETAIL DEALERS nor the BUSINESS MEN from the Civil Station Area.

THE BANGALORE COMMERCIAL ASSOCIATION has been in

The BANGALORE COMMERCIAL ASSOCIATION had always been RECOGNIZED and even it had REPRESENTATION on the BANGALORE MUNICIPAL CORPORATION and the GOVERNMENT - SPONSORED ADVISORY BODIES. By merely giving the Representation to the Mysore Chamber of Commerce and Industries, we believe that the Government will not be able to know the difficulties of the Retail Traders and as such the RECOMMENDATIONS MADE TO THE GOVERNMENT with regard to the REAL POSITION of the RETAIL TRADE. The BANGALORE COMMERCIAL ASSOCIATION had the REPRESENTATION on the SALES TAX ADVISORY COMMITTEE since past Eight to TEN YEARS.

Sub: Reconstitution of the Mysore Sales-Tax Advisory Committee.

.....

Sir,

The Sales-tax Advisory Committee is due for re-constitution. This Chamber has been given a representation on the Committee from its very inception. We, therefore, request you to continue the representation and include a representative of this Chamber so that the Chamber may take necessary steps to elect its representative. After the resignation of our elected representative Shri G.M. Mirji, the President of the Chamber has been appointed as a Member on the Advisory Committee. The President, in terms of a circular issued by Government, appointed his nominee. But, Government, so far, has not given approval to the appointment. To overcome such difficulties, we request that a representative of the Chamber be appointed so that the Chamber may send a representative as per its rules.

Thanking you,

Yours faithfully,

Complaints are often received by Government that adequate representation is not given to the Scheduled Castes/Scheduled Tribes in various committees, autonomous bodies and Corporations constituted by Government. You will recall that the former Chief Minister had instructed all the Secretaries that files regarding constitution or re-constitution of any Board or Advisory Committee should be submitted to him for his orders. The intention was to ensure that persons belonging to the Scheduled Castes/Scheduled Tribes are appointed to these Boards and Committees if suitable persons are available. Honoured Sir,

We would earnestly request your Kind Self torefer to G.O.No. FD.277 CSL 72 dated the 19th August 1972 of the Government of Mysore reconstituting the Sales Tax Advisory Committee. It is seen therefrom that no representation is given to our Association on the Committee. It is needless for us to state that our Association is doing very good work in the field and is striving very hard for the economic development of Backward areas through Small Industries. In fact a Seminar was conducted by our Association in Mysore which was inaugurated by His Excellency the Governor of Mysore while the Hon'ble Minister for Industries & Commerce Government of Mysore presided over the functions. The Members of our Association have their own problems relating to the Sales Tax. We would therefore, request your Kind Self, kindly to give your mature consideration for the above facts and give ~~our~~ a representation to our Association also

With High Regards.

Yours sincerely,

(B.N. ARADHYA)
Hon. Secretary

P.S. A copy of the Resolutions adopted at the Seminar is herein enclosed for kind perusal

Sub: FEASIBILITY OF STARTING NEW INDUTRIES.

1. That the State Government should arrange to conduct immediately techno-economic surveys in each of the Backward Districts so that the individual potential could be identifed to facilitate starting of specific industries in the area by exploiting the local x resources.
2. That the Department of Industries set up a technical Cell for the purpose of
   (a) Collection of basic data regarding the availability of various types of industrial raw materials in the different Districts of the State.

   (c) To identify areas for new industries to start with essentially local raw materials which have good marketing potential.
   (d) To liason with the other Departments of the Government to ensure long range planning of raw material availability from the Agricultural, Forest and Mineral sources.
   (e) To liason with the Department of Technical Educa-tionfor training in manpower skills for the next decade keeping in view the prospects for industrial development.
3. Mysore Small Industries Corporation be entrusted with the xxxpxxtresponsibility of preparing and publishing of Feasibility Reports of Industries that could be promoted in Backward Areas.

II. Sub: INCENTIVES AND FACILITIES.

1. That a co-ordinated policy be evolved for alround development of backward districts when alone it would be possible to usher in industrial development which requires infra-structural facilities such as a net work of communi-cation, educational institutions, Banking facilities, hospitals, housing facilities etc.,
2. That in Backward Areas
   (i) 30% subsidy should be allowed on all capital investment.
   (ii) That in the first five years, excise duties should be prescribed at different rates.
   (iii) Labour Laws be relaxed in Backward areas for a period of five years.
   (iv) The transportation subsidy be allowed up to the extent of 50% on the expenditure incurred in this behalf.

(vii) That ~~xhx~~ in the case of machinery supplied by the MYSIDC N.S.I.C., and M.S.I.C., the rate of interest including penal interest be lowered to a reasonable extent.

(viii) That Industrial Estates should be organised in all the Backward Districts and in places where there is potential, industrial sheds should be constructed without insisting upon advance rents as in vogue at present.

III. Sub: FINANCES & CREDIT FACILITIES.

1. The Banks and other Financial Institutions should open their Branch Offices at District Level in all the backward Districts and that managerial personnel of the Banks and Financial Institutions at various levels should be vested with adequate powers to sanction financial assistance without reference to their Boards of Managements.

2. All loans sanctioned to Small Scale Industries by the National Banks and other Financial Institutions should be covered under the re-financing scheme of the I.D.B.I., so that the SmallScale Industries could have the benefit of favourable rate of interest.

3. The special concession of 10% susbsidy on capital investment allowed in case of most backward Districts should be extended to other backward Districts also since they are in no way economically better placed.

4. That adequate finances should be placed at the disposal of the M.F.C., and M.S.I.D.C., for channelising loans to S.S.I., Units.

IV. Sub: RAW MATERIALS.

1. Liason Officers of Mysore Small Industries Corporation be stationed at Delhi and Calcutta to establish contacts with the concerned Departments and pursue cases of raw materials.

2. As the present allotments of raw Materials to the S.S.I Units in the State are too inadequate to meet the justdemands of these Units, the State Government may move Central - Government to substantially increase the quotas of scarce raw materials so that the Units could carry on their manufacturing activities at least in one shift.

2. That public Sector Units may be impressed to assist to organise ancillary Units in backward districts by providing necessary technical know-how and other facilities.

3. That Railways and M.S.R.T.C.,be impressed upon to set up workshops in backward districts to sove the problem of rural unemployment.

Honoured Sir,

Sub:- Sales tax Advisory panel-representation- Re constituted- News appeared in Deccan Helrald D/21-8-72.

The District Chamber of commerce & Industry Bellary has been working in the Sales tax Advisory committee for past several years and was advising the Government in matters relating to sales tax. I t also pointed out in certain cases measures to plug loopholes and increase revenue on the existing tax basis. This chamber is always bringing to the notice of Government the difficulties experienced by trade and Industry and suggestions to rectify the m also.

The District chamber of commerce, Bellary is also a member of the Federation of Indian Chambers of commerce and Industry, as well as a member of the Indian Chamber of Merchants , Bombay. This Chamber has been rendering valuable ~~xxxxxx~~ suggestions to the Sales tax department when ever they find difficulty in solving problems . We have been always co-operating with the department. While such being the case, when all the Chamber of commerce in the state are being represented in the Panel, the District Chambe r of commerce & Industry Bellary is being omitted from the representations in the panel. As a President of the Bellary District Chamber of commerce & industry, pains me very much to bring to your kind notice that only injustice is being done to the Chamber.

Hence I request you to kindly re-examine the issue once again and issue favourable instructions to the concerned departments to have the Bellary District Chamber of commerce, & Industry be included in the panel at an early date.

Thanking you,

Yours faithfully,

President.

P.S. to Finance Minister

Dear Sir,

Sub: Sales Tax Advisory Committee.

We wish to bring to your kind attention, the recent reconstitution of the above advisory body, for the purposes of assisting the Government in the formulation of sales tax policies.

As your kind self is aware, the auto and allied parts trade and the transport industry is playing a vital role in the national progress and reconstruction and also contributes to a very big share of revenues to the country. The total turnover of autoparts and tyre trade in our state is approximately fortyfive crores of rupees per annum, and among other things the sales and turnover taxes remitted by our trade & industry is very considerable.

We wish to point out in this connection that our trade and industry, is very often facing, delicate problems, in the matter of taxation laws and their interpretation. Any un-realistic interpretation of the rules made, you will realise, may and is likely to cause considerable difficulties to our trade. Sales tax being one of the major sources of revenue to our State, as also the one presenting several problems to the trade, it is our sincere submission that our association should be given representation, in the sales tax advisory bodies, as being the authoritative spokesman of the autoparts and allied trade in the State of Mysore, we are in a position to voice the shortcomings of our dealers, and at the same time, explain our Government's views on several matters to them.

Assuring you the best of our services and thanking you for an early reply,

Thanking you,

Yours faithfully,
